what is saving faith

mark 10:13-31

3 "sublime" it is.

give up the life to find true life

Saving faith is a desperate faith - not stopping until it is found

There is no double standard

"die-die" must have

[Rather Jesus!] Have faith is the instrument to bring people into His Kingdom

Grace amazing

1 Simple it is

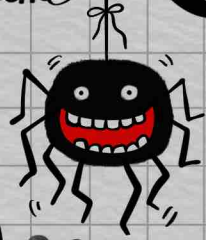

even a child can embrace it ^{lowly, no status, simple}

but not simplistic even the disciples struggled w it. ^{status conscious}

It's not abt posture but it is abt Heart & Mind (no hidden agenda, pure embracing Heart)

fully trusting in the love of Jesus care-less abt turmoil around them.

To love God

Just Believe

2 Singular it is.

Broken & Contrite Heart A NEW Heart
