

Luke 9:31 } Transfiguration } Talking abt. @ 'Exodus' of Jesus - liberatg all
(Elijah & Moses) } from @ bondage of sin. THE ULTIMATE SAVIOR!

GOD is always in CONTROL! ♡

③ God favourg the Weak & Powerless

(They bow to God only)
God's Heroes are often those who are underdogs, suffering ~ eg. midwives (named) vs Pharaoh

often those who were barren, marginalised by the society

HUMAN LOGIC
God = Good... therefore
not Good = God not there

The fragility of our lives - not in control. Yet God works the powerless, through our helplessness & failures.

HAVE PATIENCE & Faith - see @ BIG PICTURE

God worked thro' the mid-wives, through baby MOSES... through anyone who loves & fears God

The process of preparing Moses & us for His glory

God works behind @ scene to help us through difficult time

enslavement
murder
genocide
FROM BAD TO WORSE

KEEP CALM & CARRY ON! THE CROSS

② God workg thro' our bitterness

Salvation is to be freed from all bondages so that we can serve God.

[otherwise we are not truly freed ~]

"Let my pple go... so that they can serve & worship God"

① God deliverg us from bondage

Hard labor ~ servitude^{x3}
- This oppression was by DESIGN vs last chapters of Exod. - servitude to God, buildg @ tabernacle to worship YHWH

Modern Thinking
- religion is a crutch binding us, holding us back from freedom
- religion is a backup when things get out of hand. In the meantime, leave us to work hard to make a living & be free...

THE GOD who makes Himself known [CUE-CHIN]

This is all about the living God revealing Himself to mere humans...
