# THE CHURCH - MY HOME

## CHURCH MEMBERSHIP: BIBLICAL COMMAND OR HUMAN TRADITION?

When church ministries and operations face disruption and worship services feel different, fundamental questions emerge: Is belonging to a local church a Biblical command or merely human tradition? How do we distinguish between Biblical mandates and wise human arrangements? Does it matter whether I attend the same church regularly?

These are not abstract theological debates but vital questions that shape how we live out our faith as a community of believers.

In our next two SoCM classes, we shall examine key questions that affect every ORPC member.

### **3 August 2025 Solid Foundations**

Explore the essential elements of a healthy church, discover what it means to be "Presbyterian," and embrace our vision as a Disciple-Making Church.

### **31 August 2025 True Belonging**

Discuss the Biblical basis for church membership, its true meaning, and the privileges and responsibilities that come with covenant belonging.

## PLEDGE FORM

for the ORPC Building Alterations and Additions (A&A) Project Fund, launched in May 2024

~

### What is a pledge?

A pledge is a confidential, written promise to give money (whether a one-off sum or installments over a period of time) to the A&A project fund in the future. It is a commitment made in faith in accordance with the resources that God has given us. A pledge is not a legally binding contract, and can be reviewed and changed as circumstances evolve.

### Why pledge?

Your pledge enables the A&A committee to plan its finances for the A&A project fund effectively, and to determine the financial commitment we are able to undertake for the entire rebuilding works ahead of time. We hope that through pledging, congregation members will build a culture of giving to the project based on our pre-committed goals.
