Building a Disciple Making Church

Our Legacy of Faith for Future Generations

1. ORPC In-Transit

We thank God for guiding us through this period of major transition and change, and for his steady hand in supporting our congregation, from pastoral staff, disciple groups, and members attending Sunday services, into the new routines.

On 26 October, we celebrated ORPC's 169th Anniversary at Suntec, and we thank God for his faithfulness through all generations. We thank God for every member of our congregation for your patience, and in helping one another to find our way to the Suntec Convention Hall, and making the best of what is available and making this new temporary home a pleasant and comfortable place as we worship God together.

Several Discipleship groups held their Zonal Fellowships at YWCA Outram, our temporary office for the church's administration and pastoral staff.

2. Behind the Scenes - Our Suntec Setup, AV Team and Ushers

Meet Nadimuthu and Murugan

Every Sunday, a group of people from our setup team, and our vendors Nadimuthu and Murugan, wake up bright and early, arriving at Suntec at 6.30am, to ensure the smooth operations of our worship service. This team is led by Elder Tang Yew Chung, Dcn Gabriel Tang and Mr Victor Tan. Because of their hard work behind the scenes, worshippers enjoy a seamless experience.

Mr. Nadimuthu Chinnadurai and Mr. Murugan Govindasamy are aged 21 and 27 respectively, and hail from Pudukottai, Trichy, in South India. Both gentlemen have been working in Singapore for the past two years, gaining valuable experience in their respective fields. They are skilled in logistics operations as well as in various crafts, including painting and gardening.

Thank You to our Ushers and AV Team

Another team working tirelessly behind the scenes is our AV ministry members as well as our ushering team. Their efforts have helped create a welcoming atmosphere where everyone can worship and connect without distraction.

We are grateful and thankful for the contributions of all who have been a valuable part of our Suntec setup, ushering and operations.

3. Appointment of Main Contractor and Commencement of Work

We thank God for bringing forth 6 pre-qualified building contractors who submitted bids for the A&A work. Thank God for the clear and decisive evaluation process which led to the selection and approval by Session of Lum Chang Interiors Pte Ltd as the main contractor for our A&A project. We also thank God for the completion of a comprehensive conservation survey work on the main Sanctuary building. Please pray for God's guidance and wisdom as we work with the Multi-Disciplinary Team led by Formwerkz Architects and the URA Conservation Division on the full scope

of works that need to be carried out on the Sanctuary building. A subsequent tender process will be called for the Conservation/Refurbishment work which will be included in the main contract as "Nominated Subcontractor".

We are pleased to report that the project is currently both on schedule as well as within our planned budget.

4. Fund Raising Matters

We are continuing to work on raising funds despite having reached the targeted \$10 million in funds pledged and received. This will help us cover any unforeseen contingencies and help to reduce the drawdown on our church's financial reserves which is a significant contributor to our operating income through the investment returns of these funds.

Authentic Community

Experiencing Genuine Fellowship in the Body of Christ

The church is a fellowship. It is designed by God to be a community, where believers come together to worship, learn, serve and care for one another. Its purpose is to strengthen Christians so that we become more like Christ. Then, Paul says, we will no longer be infants tossed back and forth. Instead, we will love one another and grow together, so the whole body is joined and held together, as each member contributes to the unity of the whole (Eph 4:14-16).

In our lesson, we will learn about the basis of Christian fellowship, the marks of fellowship, the roles of elders and members, and how we can build a culture of discipleship in the church.

Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. - 2 Corinthians 9:7

PLEDGE FORM

for the ORPC Building Alterations and Additions (A&A) Project Fund, launched in May 2024

~

What is a pledge?

A pledge is a confidential, written promise to give money (whether a one-off sum or installments over a period of time) to the A&A project fund in the future. It is a commitment made in faith in accordance with the resources that God has given us. A pledge is not a legally binding contract, and can be reviewed and changed as circumstances evolve.

Why pledge?

Your pledge enables the A&A committee to plan its finances for the A&A project fund effectively, and to determine the financial commitment we are able to undertake for the entire rebuilding works ahead of time. We hope that through pledging, congregation members will build a culture of giving to the project based on our pre-committed goals.
