

# A LIFE OF MEANING

## DISCERNING GOD'S WILL FOR VOCATION & CAREER

What is the meaning of life for Christians? Most of us have careers in the secular world. What does it mean to bring our faith to bear on our vocations? Our work will make no sense unless we place it within a larger life narrative. What are some common narratives for work?

Our lesson will highlight the Bible storyline into which we place our work, including the themes of creation, fall, redemption, and restoration. The lesson will conclude by examining how the theology of the Bible shapes our vocation in practical ways.

## PLEDGE FORM

for the ORPC Building Alterations and Additions (A&A) Project Fund, launched in May 2024

~

### What is a pledge?

A pledge is a confidential, written promise to give money (whether a one-off sum or installments over a period of time) to the A&A project fund in the future. It is a commitment made in faith in accordance with the resources that God has given us. A pledge is not a legally binding contract, and can be reviewed and changed as circumstances evolve.

### Why pledge?

Your pledge enables the A&A committee to plan its finances for the A&A project fund effectively, and to determine the financial commitment we are able to undertake for the entire rebuilding works ahead of time. We hope that through pledging, congregation members will build a culture of giving to the project based on our pre-committed goals.
