GOD'S WILL IS NOT A MYSTERY

Practical and Clear Principles for Decision-Making

Finding God's will need not be a mystery for Christians. We want to know what God has planned for our lives. Are we making the right decision? Are we in His will? For some people, knowing God gives us comfort that He is guiding our lives. But others fear making the wrong choice and find themselves paralysed as they wait for signs from above.

We must avoid relying on sheer impulse, feelings, and inklings for direction. Instead, we need to discern God's will in the same way we respond to Him in everything else – to trust the Triune God who guides us. In our lesson, we will focus on key biblical principles to guide us as we seek God's will in any situation.

~

What is a pledge?

A pledge is a confidential, written promise to give money (whether a one-off sum or installments over a period of time) to the A&A project fund in the future. It is a commitment made in faith in accordance with the resources that God has given us. A pledge is not a legally binding contract, and can be reviewed and changed as circumstances evolve.

Why pledge?

Your pledge enables the A&A committee to plan its finances for the A&A project fund effectively, and to determine the financial commitment we are able to undertake for the entire rebuilding works ahead of time. We hope that through pledging, congregation members will build a culture of giving to the project based on our pre-committed goals.
