# “Wherever we go, He Leads”

“For we are God’s fellow workers; you are  
God’s field, God’s building.”

- 1 Corinthians 3:9

## Welcome note from Rev Dr Clive Chin

One of the Apostle Paul’s important contributions to the Scriptures is his use of the term “body” as a reference to the church in 1 Corinthians 12:12-14.

This metaphor signifies that believers, united in Christ through faith, are interconnected and work together. The church, in this sense, is not just a building or an organisation, but a community of believers.

We are to reflect the unity in diversity across generations and ethnicities, called to carry out Christ’s Great Commission of making disciples of all nations until He returns. Come join us on this wonderful journey of following the Master as we transition to doing ministry at Suntec City.
